Trash Can Business Decal Guidelines

The space available for business information is 16 inches wide and 9 inches high. All decals and logos will be white only in order to show up better on the cans and to keep all cans uniform. Two businesses and The Devine Chamber decal will be put on every can.

Pricing

The price per sponsorship space for the first year which includes the setup fee is \$75.00. Then there will be a \$25.00 annual renewal fee per calendar year if you choose to sponsor your can through the life of your decal. Only one space per business will be available as there is a limited amount of cans. If your can sponsorship decal should get damaged to the point of needing replacement, a setup fee will be required to continue your sponsorship. (The Chamber feels they will last a very long time.)
